Re: - Appointment as the **Avery Weigh-Tronix** distributor

Weighcomm is a South African based weighing systems solutions company, it is with great pleasure that we write to inform you of the appointment of Weigh-Comm as the official distributor in: South Africa, Angola, Botswana, Lesotho, Malawi, Mozambique, Namibia, Swaziland and Zimbabwe for the following product brands:-

- **Avery Weigh-Tronix** – High Quality range of **Avery** intelligent weighing scales
- **Salter Brecknell** – A wide range of cost effective entry level weighing scales
- **Dillon** – Comprehensive range of Tension and Compression testing instruments including Crane and overload safety products.

As the leading provider of business weighing solutions, we have established strong local and global alliances with technology and resource partners, we are able to provide our customers with proven reliable products, as stand alone or integrated system applications.

With the appointment of Weigh-Comm as the distributor of these globally recognised and leading product brands, some of which have formed part of the African continent for decades, our customers are now assured of the ongoing supply, after-sales support, spares availability and preventative maintenance service of these quality brands.

As an introduction to Weighcomm we are offering all customers our expert advice by conducting a detailed survey, inclusive of analysis and evaluation of all their existing weighing equipment. Our report system will highlight legal metrology compliance, if applicable, areas of concern, determining the cost of ownership and recommendations in relation to the products, the system, security and maintenance of your plant.

Please do not hesitate to contact us for all your weighing and or integrated system requirements.

One of our consultants will call you shortly to book an appointment with you.
